Instructions for Proposal to Amend Bylaws or Standing Rules of 2022 NARFE Bylaws, As Adopted August 31, 2022 (FH-4) published on March 2023

(The bylaws selected for use as a sample below does not indicate any preparation or acceptance for submission. It is used for purposes of an example only.)

Due by March 8, 2024

1. **Title:** In 10 words or fewer, describe what this amendment proposes to do. For example, “Eliminate reference to Joe Woodruff Memorial Trust Fund and NARFE Meeting Fund” or “Change procedure for filling an RVP vacancy.”
2. **Bylaws or Standing Rules Article and Section Affected:** Provide the descriptive words as well as the number. For example, “Standing Rule II – OFFICERS AND THEIR DUTIES, Section 1.B.3.”
3. **State the specific change proposed—what is it you’re trying to do;** it should be in the form of a motion. For example, “Delete the words Joe Woodruff Memorial Trust Fund and NARFE Meeting Fund which have been closed and inactive for many years.”
 - 3a. **If Adopted:** Show the exact wording of the bylaws or standing rules that would appear in the NARFE National Bylaws when published. For example: “Ensure that the association’s dedicated funds, i.e., NARFE-PAC Life Membership Trust Fund, NARFE Contingency Fund, and any other Funds so designated by the NEB, shall not be commingled with any other funds or used for collateral for any obligation not specifically authorized in the bylaws.”
 - 3b. **Reason the change should be adopted:** Try to be as brief as the subject allows, but fully support the proposed amendment. For example: “As designated and restricted Funds are no longer needed, are closed, or expire, they should be deleted from the bylaws and Standing Rules as no longer having relevance to the management of the association.”
4. **Estimated cost:** Many changes result in administrative costs only; however, some can involve significant costs. If the proposed amendment will result in programming the data management system (AMS) or changes in the printed form or additional staffing, more than likely a cost will be associated with the adopted amendment. The membership cannot evaluate the proposed amendment without having some estimate of the costs involved if the amendment is adopted. Refer to the office of the National Secretary/Treasurer (Bylaws2024@narfe.org) for assistance.
5. **Submitted by:** Provide all requested information in case you have to be contacted. If submitted by a group of 10 members as required in the 2022 Bylaws, the information on all the members must be listed on the Member Endorsements form on page 3.
6. **Method of proposal:** The ones listed on page 1 of this form are the only eight options provided in the bylaws for the initiation of a bylaws or standing rules amendment.
